FORT GARRY WOMEN'S RESOURCE CENTRE

February 2, 2026

Dear Friends,

Our community is strongest when we come together to support one another – especially for women, gender diverse individuals, and children facing violence, crisis, poverty, or isolation. This spirit of care and connection is at the heart of Fort Garry Women's Resource Centre's annual One Night One Cause gala, and I wanted to reach out to invite you to be part of this meaningful event by considering a sponsorship or silent auction donation.

The gala will take place on June 4th, 2026, at The Caboto Centre. The evening will be filled with inspiring speakers, wonderful live entertainment, a fabulous silent auction, food, drinks, and great company. This year's event theme is 'Games & Glamour' a Monte Carlo inspired event emphasizing fun & giving, not gambling.

FGWRC is a not-for-profit organization who offers supportive counselling for adults, counselling for children who have witnessed or experienced family violence, workshops, legal clinics, emergency food, drop in & outreach programs, and information & referral services.

We are rooted in the belief that no one should have to navigate hardship alone. Every day, we see the difference community support makes—when a woman finds strength after trauma, when a child finds hope and stability, or when a family begins to rebuild after a difficult chapter.

Sponsorships or donations make those moments of care and connection possible and become lifelines for women, children, and their families. All funds raised keep our programs free of charge so community members can access help when they need it most. Your generosity can turn care into action and hope into reality.

I would be happy to provide more information on sponsorship options, discuss silent auction ideas, or answer any questions. Please don't hesitate to reach out at (204) 477-1123 or andrea@fgwrc.ca.

Thank you for considering this invitation to create a world where women, gender diverse individuals, and children feel safe, healthy, valued and empowered.

With heartfelt gratitude,

-Andrea Clearwater

"FGWRC is the longest stabilizing factor in my life. I began coming to FGWRC in 1998 as an impoverished single mother of 5 children in hiding from my abusive ex-husband and the father of my children. I had a protection order for myself and each of children (ages 3-14) and was going through the courts to secure a divorce. I had no friends, no family, and no supports."

"This changed on the day I found the courage to go to the FGWRC Drop-In with my two youngest pre-school children. I found healing programs, compassion, acceptance, understanding, support, and friendships in this space. By 2000 I had secured a divorce with lifetime safety protections for myself and for my children, had successfully completed an adult vocational program, and was I beginning to feel like a valuable human being for the first time in my life."

"It is my safe place to reset, rejuvenate, and embrace the steps in my life."

REDUCING ISOLATION

"FGWRC has changed my life for the better in so many ways. I could not be more proud to say that it has helped me become the amazing woman that I am today, providing not only the many programs and services but a friendly community."

"One of my favourite events was for women's day. We had a luncheon and after eating and conversing with everyone, we did an activity. We had a piece of paper with our names on it saying "____ you are beautiful", which I still to this day have up by my bed and look at every morning. Everyone got to write something that they liked/was motivating or positive about you on that paper as it was passed around the room. This has motivated me to get out of the house more and have a positive outlook on life. I am now exercising more, going on walks, meeting new people and always going to Tuesday drop-in where you can usually find me colouring or doing diamond art. Thank you FGWRC, it has helped me in more ways than I can write down."

Their approach allowed me to learn a lot about myself through a gentle practice in a non judgmental and caring atmosphere and allowing me to go at my own pace."

"I love attending their workshops which are always fun and unique. When I go I feel like I am part of a supportive community. "FGWRC has been an amazing resource to me and my 3 children during the last 2 years. They came into my life during a very tumultuous time, separation, leaving an abusive relationship, custody battle, and financial hardship were things we were experiencing. FGWRC provided myself and my daughter with free counseling to help deal with the stress we were under."

"They surprised us with a hamper at Christmas time and allowed us to have some joy and normalcy during an extremely difficult time. They have provided us with access to Winnipeg Harvest to assist us with food insecurity we have been experiencing. They have allowed us to experience fun events that we would otherwise not have been able to budget for. We are so thankful and appreciative of FGWRC. We love you all so much! Thank you from myself and my children."

FREE PROGRAMS FOR WOMEN,
GENDER DIVERSE INDIVIDUALS
& CHILDREN

“When I first started attending Fort Gary Women’s Resource centre for counselling I felt broken and alone. Now after attending the counselling, educational and creative events and drop in programming I am learning to trust and build important connections again.”

“Attending the centre has allowed me to connect with other women who I can learn from and empathize with. We also laugh together which is medicine itself. All the staff at the centre make me feel so safe and supported and have taught me valuable life skills. I don’t know where I’d be today without the counselling where I have been able to explore skills such as setting boundaries, self worth, and managing stress and loss.

Picking up the phone and calling the Fort Gary Women’s Resource Centre is the best thing I could have done for myself.”
